SCENE CONNECTED WITH AUDIO ONLY
INSIDE THE HOUSE

[continuous scary melody in the background with deep breaths of the User]

[sound of the opening door, followed by the steps and the sound of the fire stove]

SCARY WITCH

Sweety, come in. Look around. Feel at home, but don't touch anything. I will go and make tea for us.

[sound of the steps, followed by the sound of making the tea]

THE USER (in his head)

I have to find a way to escape. What kind of hell is this place? Oh, God, I was a good human.

[sound of the steps of the User, followed by the sound of trying to open the door]

THE USER

When did this witch close the door?! Come on, think...

Think... There should be a place to escape.

[sound of searching for something and the sound of steps]

The user drops something while searching for the thing.

[sound of the dropped staff]

THE USER

Hell... (panicking)

SCARY WITCH (chuckles)

Oh, you're quite curious, aren't you? But curiosity killed the
cat, they say.

[the intense music, followed by the steps]

SCARY WITCH

They say it's Halloween tonight. I wanted to give you some
treats for that, but seems tricks suit you the most.

[the sound of dragging the mirror.]

SCARY WITCH

Come here. Look at the mirror. What do you see?

THE USER

Myself?

[the sound of magic happening]

THE USER

What? What's happening? Who is this monster?

SCARY WITCH

You, darling. This is what you look like. HA-HA-HA. Isn't
it funny?

[scary sound of laughing]

THE USER

No, it's not me! You, witch, did this to me!
The user takes something big and throws it to the witch but
misses.

[sound of the throwing something]

SCARY WITCH

You shouldn't have done that, darling! You're not showing
me the respect I deserve.

THE USER

I just wanted...

SCARY WITCH

You wanted to what? To defy me? To escape? That's not
possible, dear. You're in my world now. You're trapped, my
sweety. This is your new home, and I am your host.
